Phone Upgrade Form - Customer

SouthernLINC Wireless
A Southern Company

Loyal customers can upgrade phones at promotional prices subject to phone upgrade eligibility criteria based on current contract terms. For example, if you have never upgraded your phone and you activated a one year contract, then you should generally be eligible for a phone upgrade when you reach twelve months of service. To upgrade your phone, you must agree to extend your current service term for another 12 or 24 months. When you receive your new phone, just call us and we will transfer your service from your old phone to your new, while you are on the phone. **Please complete this form and fax to 1-800-406-0158 or mail to 4601 Southlake Parkway, Suite 200, Hoover, AL 35244.** To upgrade online or learn more about the features of any of these phones or our service plans, visit us online at **www.southernlinc.com**.
