Automatic Payment Program

With the Automatic Payment Program, your monthly wireless charges will be automatically deducted from your checking account or credit card on the date payment is actually due. Before this date you will receive an invoice, so you'll know exactly how much is being deducted. Each invoice will say "Thank you for paying by Automatic Payment" – letting you know there's nothing further you need to do. The actual transaction will show up on your checking or credit card statements.

Complete this form and fax it to 1-205-874-3844.

I authorize my bank or credit card company and SouthernLINC Wireless to make any payments and post or charge my specified account for the amount of the payment.
